NJBIZ reveals ranking of N.J.'s Best Places to Work for 2016 (slideshows)

By NJBIZ STAFF, April 20, 2016 at 9:43 AM

New Jersey's top businesses came from all over the state to iPlay America to find out which ones were the Best Places to Work in New Jersey for 2016. Before a capacity crowd at the Freehold indoor theme park and events center, NJBIZ revealed the rankings of the state's Top 70 small and medium companies, and Top 30 large companies.

(To jump right to the rankings, check out our slideshows below.)

Best Companies Group managed the survey competition to determine the state's Best Places to Work for 2016. BCG conducted a pair of surveys, on employer benefits and policies and employee engagement and satisfaction, then analyzed the results to determine how each participating business stacked up.

The 2016 awards ceremony saluted the very best of these participating companies, recognizing and honoring their dedication to their employees' professional growth and quality of life.
