SPARTA - CP Engineers & Architecture in Sparta is very pleased to announce that they have hired Joe Weaver, P.E.

Weaver is a licensed Professional Engineer and Certified Municipal Engineer, with over ten years of experience in the field of Civil Engineering.

Weaver has been responsible for the design and construction management of private and public site improvements, including stormwater management analysis and design, as well as public infrastructure and utility projects.

Weaver also has significant planning experience, having served as an assistant engineer of a Municipal Land Use Board and as a Municipal Zoning Officer. Weaver is a Rutgers Certified Zoning Officer, and is currently pursuing a Professional Planner's license.

Weaver obtained his Bachelor's Degree in Mechanical Engineering from NJIT's Newark College of Engineering. He is a resident of Netcong NJ, where he lives with his family.

"CP Engineers & Architecture is very excited in having Joe Weaver join our family, commented Joe Toscano, one of the firm's Managing Members. "Joe brings a diversity of significant experience, and in the short time he has been with the company, he has made a very positive impact and impression with the team, and our customers. It's great having Joe as a part of our team."
