SPARTA, NJ – Robert M. Byra of Stockholm has joined CP Engineers, Architecture & Life Sciences in Sparta as a Project Manager. Byra will be managing a variety of projects within the firm’s Site/Civil and Environmental practice areas.

Byra has over 15 years of experience in the civil engineering field with a strong background in residential and commercial development projects. He has prepared feasibility studies and regional and state applications in support of numerous development projects. Byra has also successfully provided testimony for numerous municipal land use boards.

“With Robert’s experience in having served in development projects and providing expert testimony to municipal land use boards, Robert will deliver even greater value to our Site/Civil Engineering clients,” said Joe Toscano, Managing Member. “We are excited that Robert has joined our team.”

Byra has a Master of Science degree in Civil Engineering from New Jersey Institute of Technology, and is a Licensed Professional Engineer in the State of New Jersey.
