SPARTA — Sussex County Technical School officials recently invited Board of Education members, county freeholders and CP Engineer and Architecture consultants to celebrate the construction and installation of the school's new track and scoreboard.

A ribbon-cutting took place before the Mustang's football game on Nov. 9.

The six-lane track will be used by the entire student population during physical education classes as well the cross-country, indoor and outdoor track teams.

Mr. Styles, graphics art instructor, along with his students also were able to put their creative touch on the project by creating and installing the "Home of the Mustangs" logo above the scoreboard. The new
